Definitions:

Award Level = Education types offered by regionally identified institutions as reported to the National Center of Education Statistics

CIP Code = Classifications of Instructional Programs taxonomy (at the six-digit level) obtained from the National Center of Education Statistics

Completions = Most recent awards earned during the stated academic year(s) as reported to the State University of New York and the National Center of Education Statistics

Federal Programs = Federally designated CIP Descriptions obtained from the National Center of Education Statistics

Institution = Regionally identified organizations offering training and academic credentials for social and professional advancement

Program/Major = Institution-specific program names for principal subjects (i.e. major course of study) based on federal program descriptions

Color Indicators:

Yellow = Programs that are no longer listed in the SUNY data system, but appear in IPEDS (possibly discontinued)

Red = Institutions with "Program/Major" names that have not been identified or verified by the granting institution

Blue = Completion data variances between SUNY and IPEDS data systems due to submission lag time; SUNY data was used in 2013-14; IPEDS is now the system of record for Completions

Orange = CIP definition update in 2014-15

Gray = Items that may possibly be deleted from the CIP definition
